

Senior Thesis Writing Group – help for History JP and Thesis Writers!!

STWG is an open forum to discuss specific issues that you might be having in the writing process, talk about where you need to be in that process (and how you can catch up), review departmental policies and procedures regarding research and citations, workshop parts of your thesis that you've already written, listen to the concerns of your fellow writers, or just have a quiet space in which to write.

Here's the schedule for the remainder of the semester. Any questions contact our writing consultant ianward@princeton.edu .
